

INTERNSHIP

MARKETING & COMMUNICATION

SILICON VALLEY - FALL 2024

ARE YOU OUR NEXT INTERN?

Join us for this our exciting internship at the Consulate General and Innovation Centre Denmark in Silicon Valley. Immerse yourself in the world of science, technology, sustainability, and diplomacy. This role offers meaningful responsibilities from day one, ensuring significant professional and personal growth.

KEY RESPONSIBILITIES

- Help shape and execute our marketing strategies.
- Play a crucial role in promoting Danish values and initiatives at the Consulate General.
- Contribute to annual Innovation Project; research and deliver insights on cutting-edge topics.
- Engage in promoting project results, adding value through your communication skills.
- Support the preparation and execution of high-profile delegation visits.

We're looking for a dynamic, independent talent with a passion for innovation and digital technology. You must excel in a fast-paced environment, be adept at meeting deadlines, and have strong graphical social media skills across platforms like LinkedIn, Instagram, Facebook, and X. Your tasks include coordinating communications, managing our online SoMe presence, and creating engaging content (knowledge of Canva and Premiere Pro beneficial). You'll analyze SoMe metrics, contribute to strategy development, assist in business development, events, and so much more!

Applicants should be enrolled in a Danish higher education institution and must be fluent in Danish and English. We value mindset and skills over specific fields of study.
